# OH GORED, NOT AGAIN!

Bullfighter gets neck rebored  
TWICE in four months

ANYONE  
GOT A  
SOOTHER?

**W**

E'RE thinkin' Spanish bullfighter Saul Jimenez Fortes ought to find himself a new sport. Maybe lawn bowls, or badminton. Even SHUTTLECOCK.

In fact, anything that doesn't involve BULLS might be good.

Y' see, Saul had just returned to the ring to fight his first bull since being severely gored in the neck in Madrid in May (as reported in THE PICTURE) and was promptly gored in the neck AGAIN.

His comeback fight in Vitigudino ended rather UN-beautly when his opponent got him up against the fence, and rammed one of its gnarly horns up under Saul's chin, all the way to the base of his skull.

With blood spurting every WHICHAWAY, and possibly a few doubts about his choice of occupation floating around in his mind, Saul had a nice ride in the ambo, followed by four hours of surgery.

Early reports are encouraging, in that he'll live, but doubts have been cast on his availability for future bullfighting engagements.

And we hear his mates are chipping in to buy him a set of golf clubs. ■ Picture

Get set to lose your shit  
over Elizabeth !

# W

E'VE said it before, and no doubt we'll say it again, but... PHWOOOOAR!

Seppo model Elizabeth Marxs [don't blame us for the spelling] has a way of reducing us to quivering blobs of protoplasm whenever she appears in the mag.

Which, it must be said, isn't often enough. She was last in these pages back in 2012, just as she was teeing off her nudie modelling career, and we've been wondering what happened to her since then.

Quite A BIT, as it turns out. She's kicked on big-time, appearing regularly in *Playboy*, shaking her booty in a bunch of music vids and

**FULL MARKS TO LIZ**

**"I HAVE AN OBSESSION WITH ZOMBIES"**

flogging classy, top-shelf booze as what they call a BRAND AMBASSADOR.

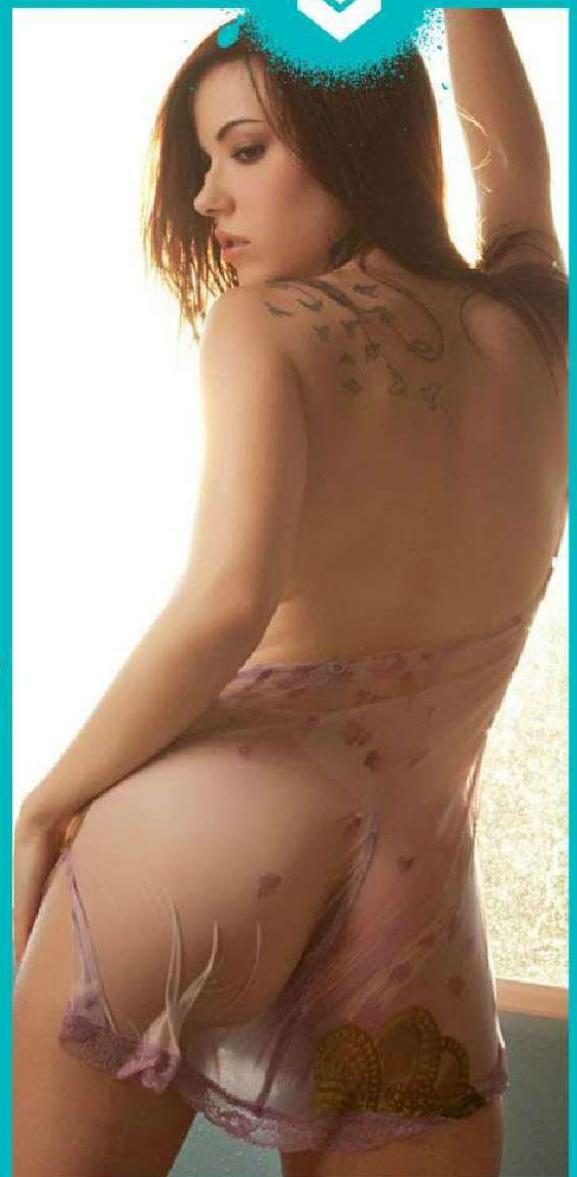

And that's not the half of it. She's a busy woman. Tell the readers, Liz.

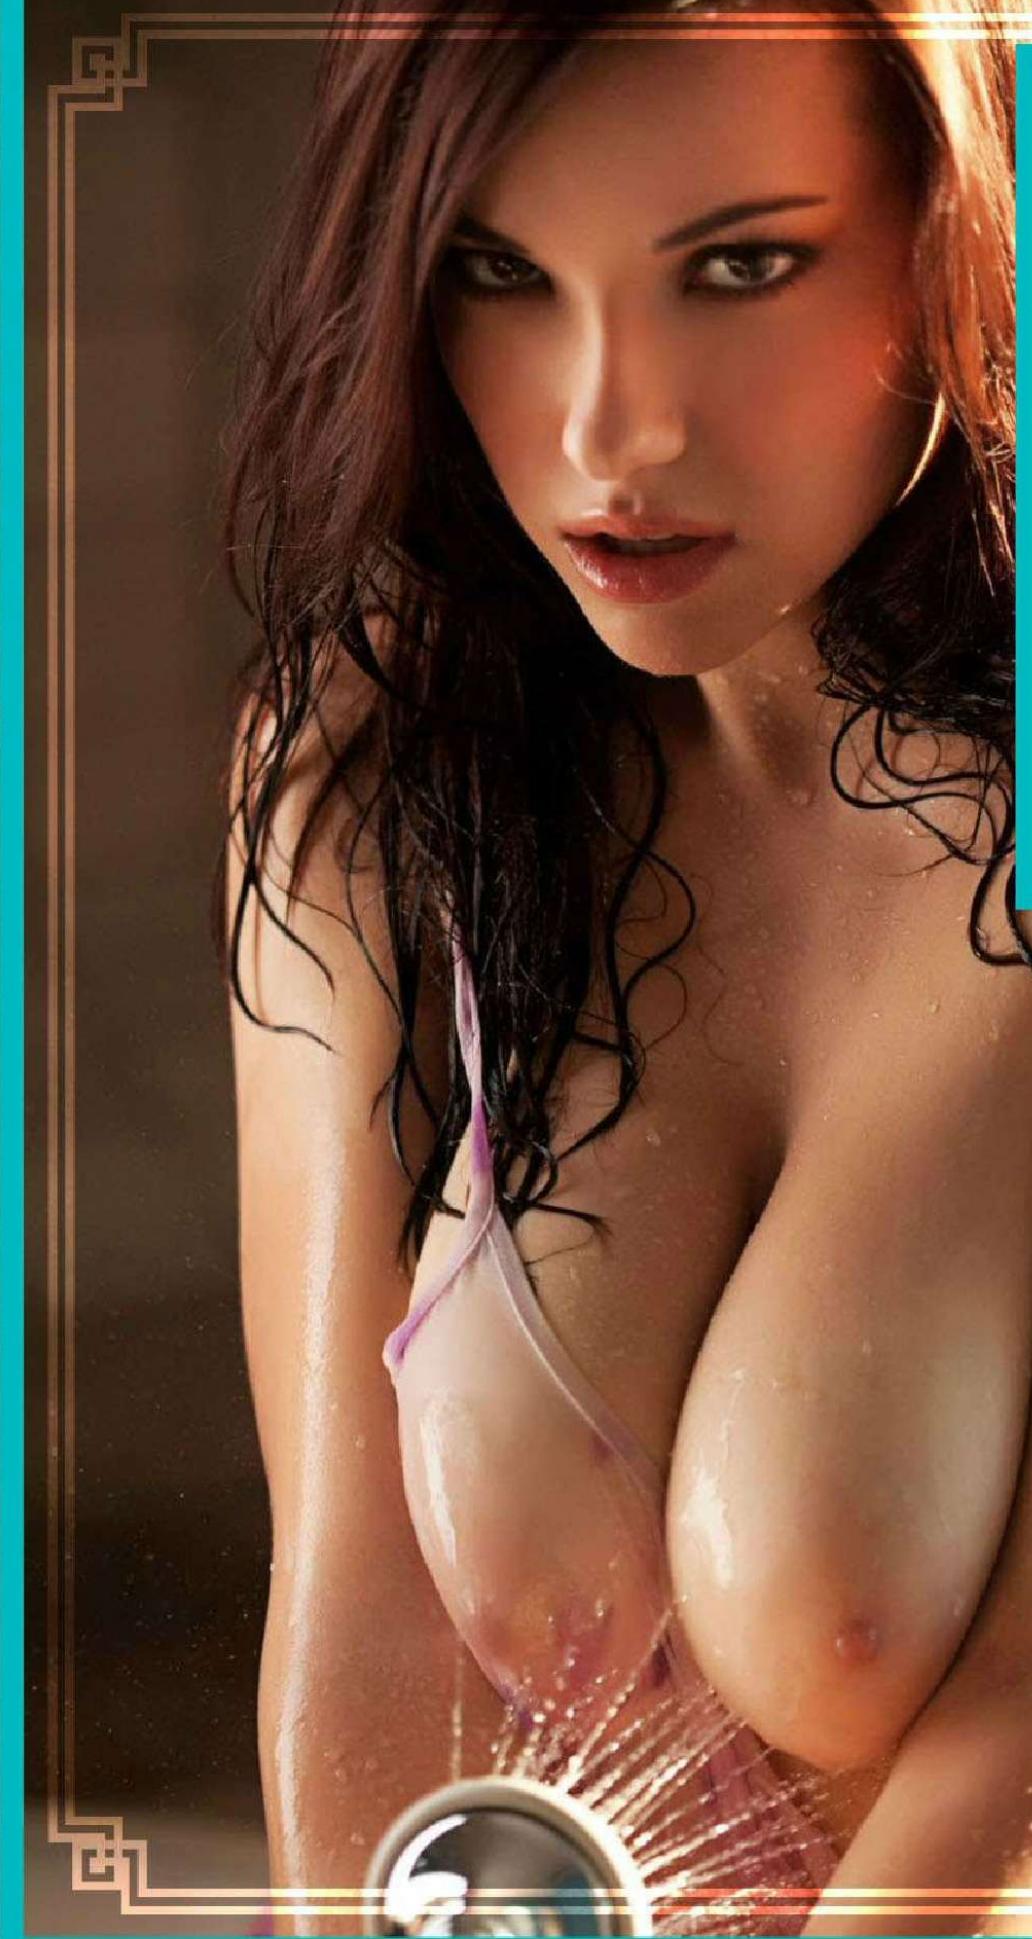

"I sing, dance, act, write and I'm a damn good cook. I love dressing up in silk or lace lingerie. I also have an obsession with zombies."

Shit. We can't even read the paper and FART at the same time.

Anyway, we're happy as drunk monkeys that her career is going so crackingly, even though it means she probably won't be dropping around for Friday arvo beers any time soon.

And why would she? She's having too much fun over there in Seppo-land by the sound of it.

Here's a story about her latest WACKY ADVENTURE she told in a recent interview:

"A photographer and I decided to shoot a topless set on the patio of a well-known New York bar. The crowd definitely enjoyed the show, and I even got a round of applause! However, the security didn't like it, and called the police. The cops thought it was great and took photos of me with their cellphones."

How can we compete with that?

Anyway, she's still not above offering a bit of free SEXING ADVICE. "Women are ovens, not microwaves," she reckons. "Heat us up to the right temperature and I promise you, you'll be happy." Okey-fuckendokey, Liz! ■ Picture

## SPUD-O-GRAM

SEPPOLIAN genius Alex Craig has started a business that may one day make him a millionaire – sending SPUDS with messages on them through the post. For an outlay of between \$8 and \$11 (depending on the size of the spud) he will deliver a potato printed with your 140 character message to WHOEVER, WHEREVER. His company, Potato Parcel, only started in May and is already making him \$10,000 a month. Craig, 24, said he came up with the idea while having dinner with his girlfriend, who told him it was the stupidest idea she's ever heard. We hope he DROPPED HER.

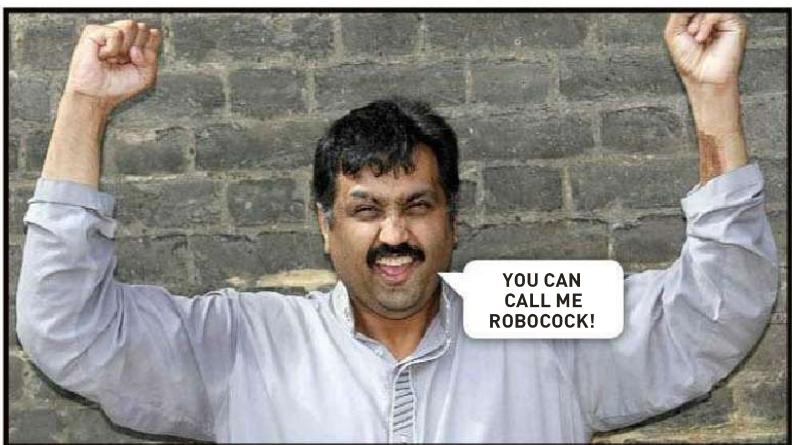

## # 251 WE DREW A COCK ON IT

## FRANKEN-DICK

SINCE he was a lad of six, Mohammed Abad has only wanted one thing – A PENIS. The 43-year-old Scottish resident lost his junk in a car accident when he was a nipper, leaving him NOWT but a STUMP ever since. But surgeons in England have built him

a WORKING WANG from skin and flesh taken from his arm. It can be FILLED with fluid by pressing a button under his ballbag, and measures an impressive 20cm when angry. "I'm hoping some ladies might want to try it out," giggled Mohammed.

## IS NUDE, IS GOOD

THIS Russian biker babe obviously does not give a flying fuckski about wind rash, saddle rash or GRAVEL RASH as she hurtles along the chilly streets of Oryol, bare-bunned and BOOBs A-BOUNCING. Who she is, why she did it or how wet her moot got WHILE she did it are questions that we, unfortunately, cannot answer. We rang Russia to find out, but nobody was home. They were probably all down the pub. Anyway, she was being totally responsible by wearing a helmet, and there's no doubt that the aerodynamics of the ride would've have improved out of sight.

## FLYING HIGH

A CRIM in the Central American country of Costa Rica has used a homing pigeon to bring beaut DRUGGIE WUGS to his jail cell. Guards at La Reforma jail in San Rafael de Alajuela spotted the feathery accomplice landing in the main concourse of the prison with a little pouch strapped tied to its chest, which they discovered contained about 14 grams of coke, and the same amount of mary-gee-warna.

Turns out one of the inmates had trained the pidge, and with the help of blokes on the outside, was using it to bring drugs into the prison.

## DEATH OF 1000 BEERS

SOME very sick puppies in Germany have MURDERED more than 1000 bottles of innocent beer in a crime that has horrified and appalled civilised people around the world. The evil fucks broke into a bottle-o in the town of Mulheim and UNCAPPED more than 1000 bottles of local brew König

Pilsener – but WEIRDLY drank none of the frothy goodness inside. Police, desperately seeking a motive for the CARNAGE, concluded the bastards had beheaded the lovely lagers merely to look for prize-winning tokens under the bottle caps. It's enough to give ya nightmares...

## ART ATTACK

A TAIWANESE kid was probably thinking he'd have no allowance left over until he was about 90 when he accidentally put a hole in a \$2 million painting at an exhibition in Taipei. The 12-year-old tripped and fell into a 350-year-old work by Ettie painter Paolo Porpora. Luckily, CCTV footage clearly showed the kid didn't do it on purpose, so they didn't kick his arse too badly. The painting was insured, and can be restored, so no harm done!

# WHAT A SWINGER!

One-legged golfer kicks arse

**W**HEN Roger Hurcombe's out on the golf course and someone asks him "What's your handicap?" he can tell 'em: "I'VE ONLY GOT ONE FUCKEN LEG!"

'Cos the Pommy champion's certainly got a sense of humour. And he's also only got one leg, so he wouldn't be lying.

Rog lost his rightie in a car accident back in 1992, then 10 years later, as part of his rehab, he started playing golf. That was the beginning of the end for the big fella – now he's fucken HOOKED.

And just to let everyone know he's a real JAPESTER at heart, he got a tattoo on his flesh-and-blood leftie that reads: "ONE FOOT IN THE GRAVE," with an arrow pointing to his falsie.

A three-times-a-week player, Rog enters handicapped tourneys all over the UK, and he's even got a sponsor who gives him heaps of that lairy golf gear for free.

Now Rog has set his sights on representing Great Britain in golf at the 2016 Paralympic games. ■ Picture

# BIRD LIVES!

Old Datto Bluebird comes back as barbie

That should buff right out

IT'S always HEARTBREAKING when a much-loved car comes to the end of its natural life, and you're faced with the tough decision to have it HUMANELY PUT DOWN.

But rather than take his prized 1982 Datsun Bluebird GX out behind the shed and put a bullet through its bonnet, truckie Stephen Casey decided to reincarnate the Jap shitbox – sorry, that should read MOTORING CLASSIC – as a barbecue.

"It took me 18 months before I could make myself do anything to it, then one Saturday, I got the grinder out and started cutting away," Steve, from Bellingen, NSW, said as he blinked back a SENTIMENTAL TEAR.

"I turned the 'Bird into a BBQ, and we renamed her the Car-B-Q."

Steve retained the horn, the CD player/radio and all the front lights on the Datto, so while the old girl can't get around anymore, she still happily provides illumination and entertainment, while Steve grills bits of pig and cow in the engine well.

Don't ya just love a HAPPY ENDING? ■ Picture

# WORLD'S FASTEST SHED

*Pom's zippy man cave clocks 114km/h!*

**Y**OU can ALMOST believe the Poms once had a global empire when you COP a look at Kevin Nicks' incredible high-speed FANGING SHED.

Kev, a gardener from Oxfordshire, England, has just set a new world shed speed record of 70.8 miles, or an incredible 113.9417676 of those newfangled kilometres, an hour.

His genius idea of converting an old Volkswagen Passat into a shed, rather than trying to motorise some old termite-eaten structure from the bottom of the

backyard, put him way ahead of the opposition.

Kev's GABBERFLASTING world record at the 10th World Wheelie Championship in York, was followed IMMEDIATELY by him trying to make a buck out of it, offering his baby up as a mobile advertising billboard.

"I can say 'advertise on the world's fastest shed', he said, craftily.

Yeah, Kev, you COULD say that, but don't you think it sorta CHEAPENS the whole thing, mate?

Some things are just too beautiful to commercialise.

**W**HEN it's hot as buggery and the sun is beating down like a big, shiny BASTARD, there's nothing your average MEGASPUNK likes more than to get outside and get her gear off.

They can't help themselves. It's what they were meant to do.

Which is pretty fucken terrific when you think about it, because then you can perve on 'em without having to stand on a garbo bin to see in their bedroom windows.

So no more of those embarrassing court appearances, eh!

Yep, guilt-free scoping of nude babes in the great outdoors is one of life's great pleasures, and with that in mind, we're stoked to bring youse this premium pick of AL FRESCO hornbags, as naked as the day they were born.

Under trees, on the lawn, splashin' about in a creek or at the beach, or just sittin' on a rock in the middle of NOWHERE, it's what being a nature lover is all about.

Tabu's rootin'

# NOT ME!

**T**ABU will be no stranger to fans of Home Girls (and isn't that everybody?), having appeared in issues #1372 and #1382.

But this is the Brisbane-based model, stripper and all-round great gal's first go up the front of the mag. And we're so glad she made it.

As hot as Caboolture in mid-summer, yet at the same time as cool as a frosty can of Fourex, she's a welcome addition to the PICTURE family.

**Hello Tabu! We're guessing from the jersey and the venue for the shoot that you're a bit of a league head.**

"Yeah, I've always supported the Broncos and Queensland. I'd love to go to

a State of Origin game, but nobody's ever offered to take me."

**How would you feel if some generous PICTURE reader FLANG you a ticket for next year, and bought all the pies and beers?**

"I'd be so excited!"  
**What is it about the NRL that gets you all hot and bothered?**

"I just love it – they get so intense, and I love all that alpha-male stuff."

**Yeah, we're pretty rugged, us blokes. Say, we hear you're studying to be a naturopath. Erm... whatever that is.**

"I am, but I don't always practise a healthy life-style. I like partying too much. I love my tequila shots. I can start my night on them, and then if I need a pick-me-up

later in the night I'll switch to bourbon and coke. That's my health drink."

**Yay! Fuck milk! Where do you like to do ya partyin'?**

"Nightclubs, pubs, music festivals, anywhere will do – like last week I got drunk watching the pig-races at the Ekka."

**Sounds like a top day out. How's your love life at the moment? All loved up, or are you single?**

"I'm single."

**How's that working out for ya?**

"It's frustrating at times. Especially here in Brisbane. I always have to approach guys; they never approach me."

**That's FUGGIN' insane. How do you like to be made sweet lurve to, if you do hook up?**

"I like to be picked up and held against a wall, or even better, a big window, like in a high-rise hotel room."

**Cool! You into crazy sexual experimentation... erm ... at all... ever?**

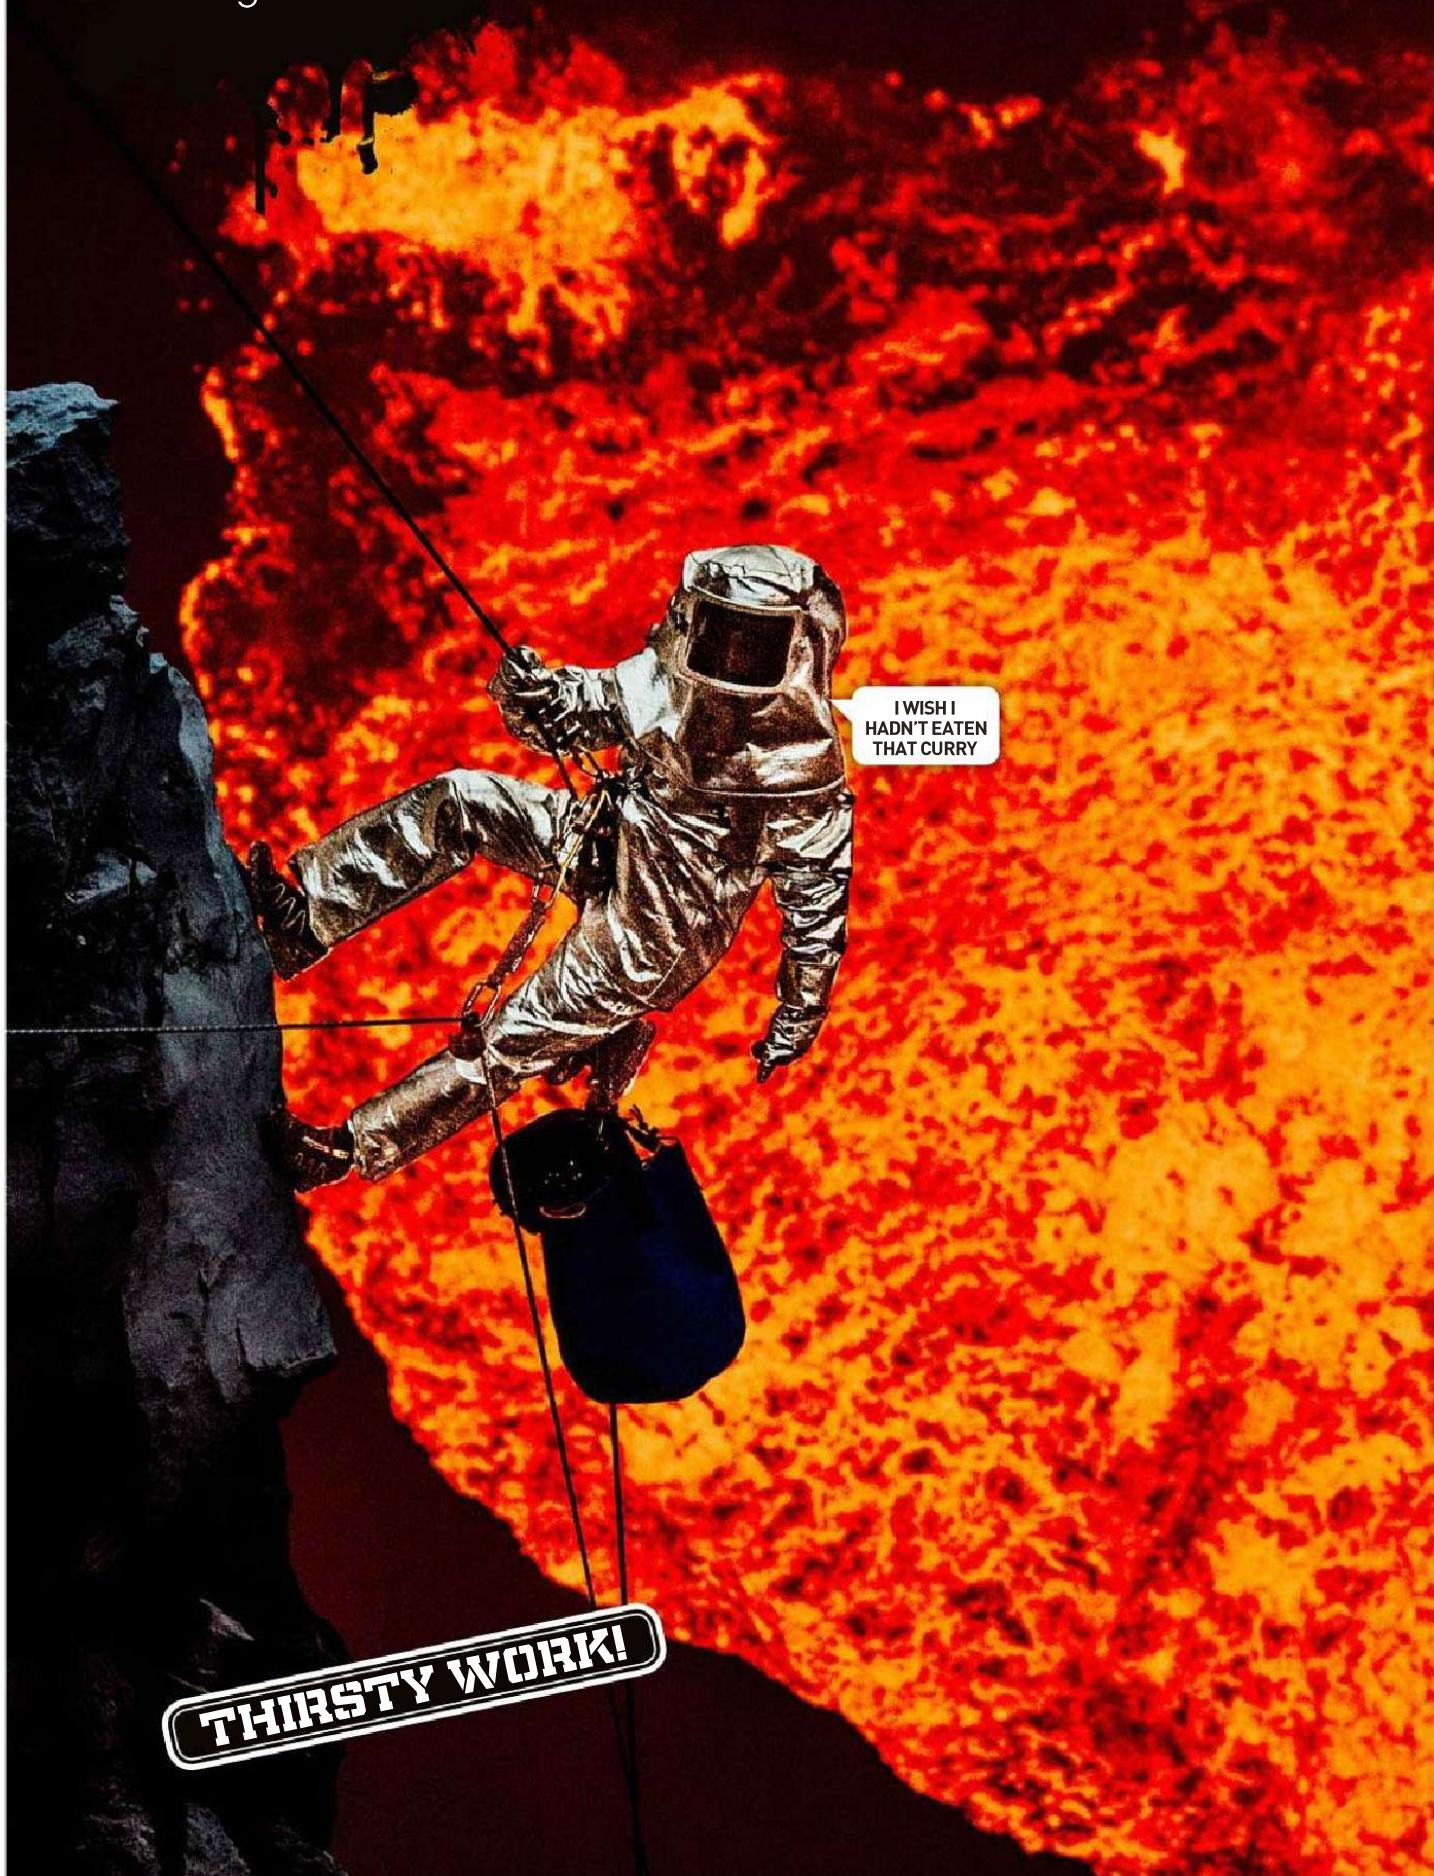

"I've had a couple of threesomes with couples, and it's been pretty good. I'm willing to try with more people. So if I'm at a party and it turns into that, I'll join in."

**Tell ya what; we'll buy you a ticket to a State of Origin match – pies and Fourex included – if you'll invite US to one of ya parties!** ■ Picture

Lava you  
long time

## HOT SHIT

Good thing Seppo thrill-seeker Sam Cossman doesn't mind getting a bit sweaty, 'cos his latest adventure took him inside a volcano where the temperature gets up to 1000 degrees! Sam made six trips into the crater of the Marum volcano in Vanuatu, which the locals call 'The Entrance to Hell'. "You're about 20 metres from the actual lava and it's unlike anything I've ever experienced. It's like taking a glimpse into the centre of the world," he reckons. Wearing his special fire-proof suit, and hooked up to all kinds of monitors that check to see whether his blood's boiling or his pubes are being singed, Sam shinned 400 metres down a fire-resistant rope to where the lava was blooping around. "By the wall where you drop in it's about 200 degrees, but then as you walk towards the shore of lava it's about 1000," he said. "You can only stand there for a couple of seconds before it's too hot to stand any longer, so you go back."

# Talking Dirty

100% uncensored sex advice from Australia's hottest stripper!

## TOEY BASTARD

TRINITY, you have very sexy looking feet. If I ever had the chance, I'd kiss them and suck your toes until you told me to stop. Is there any chance you can talk the powers that be into showing more models feet, please? In the meantime, can you do a shoot of your feet, bare feet red painted toe nails in a pair of sexy high heels? I'm horny as hell just thinking about it.

R.O., GARBUTT EAST

**TRINITY SAYS:** *I have a foot fetish too, so I know the feeling. I've come a few*

*times from having my feet played with. The best! I did a feet shoot once - for Picture Premium, years ago! I'll pass on your request, though.*

## EX PEST

WHAT does it mean when your ex-girlfriend texts you all the time saying she wants to see you, but then she actually makes no effort to see you? I don't really give a shit if I see her or not, but if it means I can root her, I'll give it a crack. If she's not interested, what is the point of her sending mixed signals like that?

T.N., LEXTON, VIC

**TRINITY SAYS:** *Some girls just like the attention. It's ridiculous, actually. Don't waste time on her.*

## SHE'S GOTTA HAVE IT

I'VE been with my man for almost three years, and I feel like we don't have enough sex. He wants it once a week at most, while I'd like it every other day or at least more than once a week. His dick size is perfect and when we actually have sex, it feels good, but his technique sucks and he

only lasts a couple of minutes. I feel like he could get better if he'd do it more with me and actually try harder. I am never critical of him, either. It's just so infrequent that I'm starting to resent him. I feel angry lying next to him in bed and I go into another room and start masturbating by myself. I've had to watch more porn than I did when I was single to deal with this. I don't know what to do at this point. I want to work through this, but now I'm doubting if we can.

P.C., CROHAMHURST, QLD

**TRINITY SAYS:** *Just be straight, babe. Tell him exactly what you just told me, and if he's too selfish to up his game and try harder to satisfy his woman, then you need to decide if that's something you can live with. Or maybe you're just not suited.*

## FACIAL TIME

MY MATE was saying that spoof is really good for the skin. Is this true? 'Cos my girlfriend told me it was bullshit. I've been saving it up in a jar for her just in case you say it's good.

K.V., KARRINYUP, WA

**TRINITY SAYS:** *I think it is, to be honest. Never did any harm, that's for sure. Give her a good facial tonight.*

## BALLS DEEP

I'VE GOT a bit of an embarrassing question, Trinity. Do I need to see a doctor if my

WITH TRINITY

right testicle is bigger than my other two?

K.F., BOUVARD, WA

**TRINITY SAYS:** Hahaha! Three balls!  
Yeah mate, get that sorted. You're only  
supposed to have two. Dear god.

## 0 PROBLEMS

I'M A red-blooded male, and my problem is that during sex, I usually can't orgasm. It doesn't matter how comfortable I am with the chick. I don't jerk off much, and I don't constantly watch porn. But it takes me such a long time to orgasm that girls become uncomfortable by the time I'm anywhere near it. Only two girls have ever made me orgasm by themselves. My question is – is there a way to make myself come faster? More like in the 15 minutes or so instead of an hour plus.

N.I., CARDIGAN, VIC

**TRINITY SAYS:** Why rush things, mate?  
These girls need to put more effort in  
and enjoy the longevity! Don't change.

## TRINITY'S SEX TIP

*IF YOU find yourself in a bit of a sex drought, there's one sure-fire way to get laid – go travelling! To chicks here, you're just another regular bloke, but overseas you're an interesting Aussie with a cool accent. And stay away from the posh hotels, park yourself up in a hostel – those places are full of horny young people looking for a fuck!*

*Don't let their lack of skills determine your cum ability – keep 'em going!*

## DOUBLE BREAK-UP

I JUST broke up with a long-term girlfriend of four years. I went out drinking with mates, and started sucking the face off this cute chick on the dancefloor. I had to go take a piss and when I had come back, a (so-called) mate had told her that I had just broken up with my girlfriend. The chick got worried that she would just be a rebound and she was no longer interested in petting or anything else. Because of his fucktard behaviour, I have decided that this cunt is no longer a mate. My other mates reckon that's too harsh. I say, fuck the cunt. What do you reckon?

**TRINITY SAYS:** Yeah, it's a bit harsh.  
Just give him the hard word not to  
say dumb-arse shit like that again,  
and not act like a bitch, 'cos that's  
something a chick would do, and  
leave it at that. No need for the  
drama, dude.

**WHO:** ROLANDA BELL

**WHAT:** SHE FALL IN DA WATER!

**OUCH FACTOR:**  
**100%**

MICK FANNING'S WATER INCIDENT WAS MORE SCARY

**I**N SPORT, there are winners and losers – but there are classes of losers.

Some lose with flair, like the Jamaican bobsled team; others, like Panamanian athlete Rolanda Bell, just go down like soggy sacks of spuds.

In Rolanda's case, it was the 3000m women's steeplechase at the Beijing World Athletics Championships that brought her undone.

Rolanda was BLUNDERING her way through her heat when she took the water jump at the wrong angle and hit the drink.

Not only did she hit it, she pretty near DROWNED in it. Cos its' deeper than it looks. Could even be some

NOAHS in there.

She sank all the way to the bottom, losing PRECIOUS OXYGEN and gulping down all those nasty germs that hang around in stagnant puddles, and by the time she re-surfaced the rest of the field had bolted away.

Nonetheless, brave Rolanda only had the finish line in mind. Before you could say TETANUS SHOT, she'd fought her way out of the stinky bog water and sogily splooged her to way to an inglorious last place.

She apologised for her fuck-up later on Twitter, thanking her followers for their support, who then promptly UNFRIENDED her on Facebook. ■ Picture

That's right, I'm tweeting me heart out for the people. None of that what I-had-for-breakky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: <https://twitter.com/ThePictureMungo>

## WHAT A LEG-END!

I JUST picked up the #94 issue of PICTURE 100% Home Girls and what really got me going was the number of pics that had the ladies' feet and toes in shot. Any chance that THE PICTURE might start featuring some full length, head-to-toe shots, just for us foot guys who buy the mag all the time?

J.O., GARBUZZ, QLD

**MUNGO SAYS:** Feet, eh? Dunno what you see in 'em. I mean, I'm not knocking feet, they're very handy things, but I've seen some chicks' feet that you wouldn't wanna go near. So you have to be careful which feet you get excited over. A few corns and blisters, and I reckon you can forget it. But here's some for ya to be going on with.

## SEX AND THE SCHNITY

MUNGO, thought you might like this mouth-watering schnitty I found in the internet. Do you need any further proof that the schnitty is becoming Australia's national dish?

L.D., NO ADDRESS GIVEN

**MUNGO SAYS:** And here's me thinking it was sweet and sour pork. Shows ya how much I know. But you're right, the schnitty – invented in Austria, I believe, to give credit where credit is due – has pretty much taken over. And why not? It's a sexy dish. Fucken turns me on, anyway. Then again, so does mashed potatoes with peas and gravy. So if some woman wants to serve me the two together, I'll be her love god and rock her world.

A FEW YEARS AGO HE WAS FORCED TO DO A LOT OF OVERTIME, AND WE COULD SEE HE WAS GETTING REALLY STRESSED OUT.

G'night, José.

So.

WORKING REALLY LATE ONE NIGHT, HE WENT DOWN TO GET SOME HOT CHIPS FROM THE MACHINE USING HIS LAST FEW DOLLARS...

INSTANT Chips!

WHEE!

BUT THE MACHINE JAMMED, AND JOSÉ'S CHIPS DIDN'T APPEAR!!

THE DUDE WENT BERKO, GRABBED A METAL PIPE AND SMASHED THE WHOLE MACHINE TO SMITHEREENS!

MY MATE RAN DOWN THERE TO FIND HIM SITTING AMONGST THE WRECKAGE CALMLY EATING HIS CHIPS.

HE WAS BACK TO NORMAL AFTER THAT, BUT WE'RE ALL EXTRA CAREFUL AROUND HIM NOW...

### ASHES TO GASHES

MUNGO, I found the recent Ashes test series boring and annoying, not only because we lost to the Poms, but also because there were no streakers. So I propose we do away with the cricket and just cut straight to the chase and have a Test Streaking series. Instead of the Poms sending out their cricket team, they should send out a squad of their finest big-boobed nude models, with Lucy Pinder as captain, and they can go up against our team, led by Scarlett Morgan. I reckon it'd pack out the SCG, the MCG, the Gabba and the WACA. Now that the cricket looks like it's gunna be boring for a while, we need to liven up our summers.

G.M., GYMPIE, QLD

**MUNGO SAYS:** Mate, you're a genius. Just when I was thinking I'd have to find something else to amuse me through summer, you come up with this world-beating idea. Let's get onto this. I'll speak to Scarlett and see if she can start the selection process, and we'll drop a line to Lucy and see if she can do the same over there. It's a goer!

### WHAT'S IN THE BOX?

IN MY time I've seen shoe boxes, mail boxes tackle boxes, cereal boxes and boxes for dead people, but in all that time I've never seen Pandora's Box. I wonder if I ever will.

J.C., SADLIER NSW

**MUNGO SAYS:** Are you talking about Pandora Peaks, enoromo-norked Seppo model and porno star, or Pandora, the sheila from Greek mythology? 'Cos Pandora Peaks' box is a beauty and well worth exploring if you ever get the chance. Not that I have, but it has been known to happen. She's 51 now but I hear it's still in fine condition. On the other paw, the one out of Greek mythology you'd be well advised to leave alone. According to the ancient Greeks – and they'd know – it contains all the evils of the world. And you wouldn't wanna go sticking ya dick into that.

### HOME AND A SHAY

HEY mungo you did well getting Demi Harman – the actor who plays Sasha on *Home And Away*, to be the #1385 pin up. It says her name is Shay, so either she has changed her name or it's her sister. Do you agree?

D.C. WARRNAMBOOL, VIC

**MUNGO SAYS:** You may be onto something there. Demi chucked her gig with *Home And Away* earlier this year, then suddenly this mysterious Shay pops up looking spunkily familiar. Spooky. But, nah, it's probably not her. We like Shay better, anyway.

FOUR expectant fathers pace in a hospital waiting room while their wives are in labour. The nurse enters and tells the first man, "Congratulations, you're the father of twins."

"What a coincidence," the man says. "I work for the Minnesota Twins baseball team."

A little later, the nurse returns and tells the second man, "You are the father of triplets."

"That's really an incredible coincidence," he answers. "I work for the 3M Corporation."

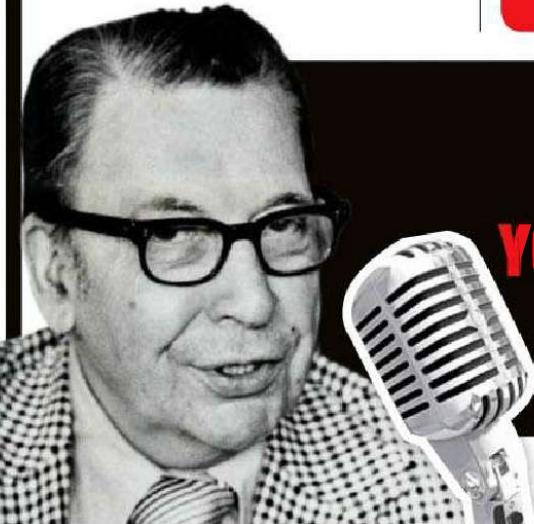

An hour later, the nurse tells the third man that his wife has just given birth to quadruplets.

The man says, "I don't believe it! I work for the Four Seasons. What a coincidence."

After hearing this, everyone's attention turns to the fourth guy who has just fainted. He slowly regains consciousness and whispers, "I should have never taken that job at Millennium Computers."

TWO Mexicans are stuck in the desert after crossing into the United States, wandering aimlessly and starving. They are about to just lie down and wait for death, when all of a sudden Luis says...:

"Hey Pepe, do you smell what I smell. Ees bacon, I theenk."

"Si, Luis, eet sure smells like bacon."

With renewed hope, they struggle up the next sand dune, and there, in the distance, is a tree loaded with bacon.

There's raw bacon, there's fried bacon, back bacon, and double smoked bacon ... every imaginable kind of cured pork.

"Pepe, Pepe, we ees saved. Ees a bacon tree!"

"Luis, maybe ees a meerage? We ees in the desert, don't forget."

"Pepe, since when deed you ever hear of a meerage that smell like bacon... ees no meerage, ees a bacon tree."

And with that, Luis staggers towards the tree. He gets to within five metres of it, with Pepe crawling close behind, when suddenly a machine gun opens up, and Luis drops like a wet sock. Mortally wounded, he warns Pepe with his dying breath:

"Pepe... go back man, you was right, ees not a bacon tree!"

"Mi amigo... what ees it?"

"Pepe... ees not a bacon tree... Ees... Ees a ham bush...!"

IN A murder trial, the defence attorney was cross-examining the coroner:

"Before you signed the death certificate, did you take the pulse, listen to the heart or check for breathing?"

"No."

"So, when you signed the death certificate, you weren't sure the man was dead, were you?"

"Well, the man's brain was in a jar on my desk, but I suppose he could have still been practicing law for a living."

OLD MATE Bill had owned a large farm for several years. He had a large pond in the back. It was properly shaped for swimming, so he fixed it up nice with picnic tables, horseshoe courts, and some apple trees.

One evening, Bill decided to go down to the pond, as he hadn't been there for a while, and look it over. He grabbed a bucket to bring back some fruit. As he neared the pond, he heard voices shouting and laughing with glee. As he came closer, he saw it was a bunch of young women skinny-dipping in his pond.

He made the women aware of his presence and they all went to the deep end. One of the women shouted to him, "We're not coming out until you leave!"

The old man frowned, "I didn't come down here to watch you ladies swim naked or make you get out of the pond."

Holding the bucket up he said, "I'm just here to feed the crocodile."

THIS WEEK: MIDGETS

I played miniature golf with a midget today... He just called it golf.

**Q. WHY CAN'T MIDGETS WEAR TAMPONS?  
A. THEY KEEP STEPPING ON THE STRING.**

Every day, a bloke walks right up to a female co-worker in the office kitchen, inhales a big breath of air, and tells her that her hair smells nice. After a week of this, she can't stand it anymore, takes her complaint to HR and asks to file a sexual harassment complaint against him. The Human Resources supervisor is puzzled and asks: "What's so wrong about a co-worker telling you your hair smells nice?" The woman replies, "It's Doug - the midget!"

**A. BECAUSE THE STEAKS ARE TOO HIGH.**

On my way home from work, I saw my midget neighbour waiting for the bus, "Hop in," I said. "I'll give you a lift." He gave me the finger and told me to fuck off. "Suit yourself," I replied, and zipped up my backpack.

**Q. WHY DID THE MAN NEED COUNSELLING AFTER FINGERING A MIDGET?  
A. HE NEVER THOUGHT HE'D STOOP SO LOW.**

I accidentally ran up the back of a car at a stop sign today. We got out the car to exchange information when I noticed the man was a midget. The first thing he says is, "I'm not happy!" To which I replied, "Well, which one are you then?"

OU might not believe this, but Viola Bailey doesn't think her **HUGE NORKS** are all that great. Yeah, we know. What's that all about?

Still, she's only 22, so she's got a lot to learn about life. And tits. We sat her down for a long talk to try and set her straight.

"My boobs started to grow after I've finished playing sports," she explained.

"They grew very fast – from age 14 to 18 they grew up to this size. But for me the best parts of my body are my legs. I don't like my breasts too much."

*That's crazy talk. Anyway, when you were growing up in Latvia did you ever think one day you might crack it as a world-renowned big-tit model?*

"Since childhood, my dream was to be a model, or an actress. I'm too short to be a fashion model, but my mother said to me: 'Why

**Yeah, we can tell.**

"... so I said to her: 'I cannot do that'. But, later on my grandfather suggested it to me as well, and I started to look for work in erotic photography."

**Good old grandad. He knows a thing or two about tits. You've dabbled in a bit of sex on film, we see – waddya reckon about porn in general?**

"I watch porn a lot, but I just watch it, I never masturbate to it. My favourite porn star is Sasha Grey. I don't know why, she is very dirty, but I think in real life she is very sweet."

**Yeah. Sweet. That's what we always said. So has cracking the big time as a model and (briefly) porn actress been all you thought it would be?**

"Maybe I'd love to participate in an orgy, but only with my boyfriend." ***Boyfriend, eh? Well, we suppose it was inevitable.***

"I do all kinds of things with my boyfriend. Sometimes I want it hard, so he does it hard and fast; fucks my ass and my face, put his dick on my lips, takes me in all positions and cums in my mouth... and sometimes he just makes a sweet, passionate love to me."

# MONICA

## MOLDOVA, EUROPE

### MOLDOVA – IS THAT ANYWHERE NEAR BALI?

Not even close. It's waaaaay over in Eastern Europe, tucked between Ukraine and Romania like a tasty piece of corned beef in a Euro sandwich. You've probably got Bali mixed up with Balti, Moldova's third largest city.

### ERM... SO, HOW'S THE SURFING THERE?

Not good. They miss out on having a coastline by about two

kays, and even then, it's only the Black Sea. So better take your skateboard.

### MONICA DOES LOOKS PRETTY FIT, BUT.

That's because they love their sport in Moldova, including soccer, cycling and tranta, the local version of wrestling. So she's always up to something healthy and sweaty. And when

she's not slamming one in the back of the net, moving up the

**POPULATION:** 3.5 million

**LANGUAGE:** Romanian

**AVG. BRA SIZE:** 34DD

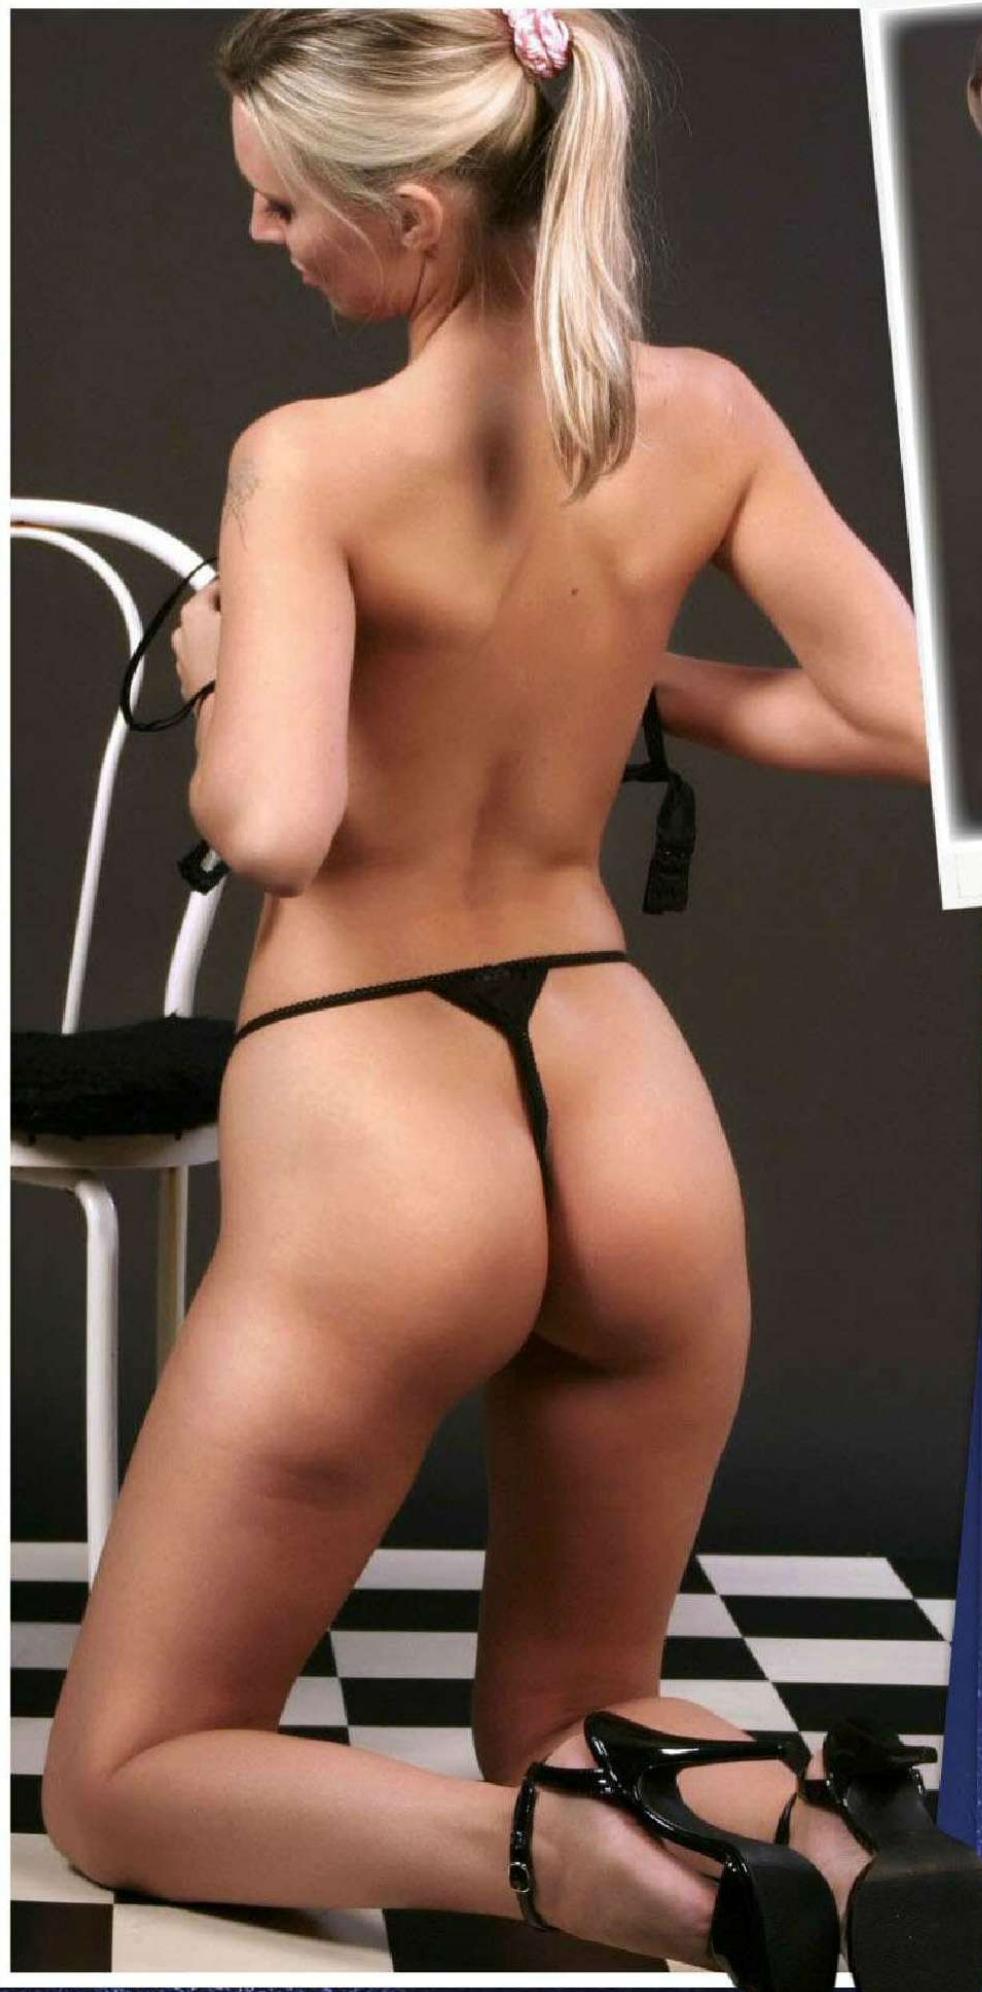

gears on her Malvern Star, or applying an atomic piledriver, Monica can be found treading grapes at a local winery. They love their goon over there, too.

### NICE SET OF NORKS ON HER.

Moldovan women are known for their quality racks. "There's no chest like the chest on a Chisinau chick" one local saying goes, referring to the impressive norks on Moldovan babes from the capital,

Chisinau. This may be something to do with their diet, which involves a lot of spuds, cabbage and pork – all medically-proven tit-enhancers.

**HOW DID MONICA COME TO BREAK OUT OF THE GRAPE-TREADING BUSINESS AND GET INTO NUDE MODELLING?**

Apparently, it was her childhood dream. As we were unable to get her phone number, we're relying on her entry in the East Chisinau Girls High yearbook for 2011, which said something along the lines of: "I can't wait to graduate and start posing starkers for THE PICTURE, which I truly believe is the best men's mag in Australia." Mind you, that's a fairly rough translation.

**CRAZY! WHAT ELSE DID SHE SAY?**  
Erm... let's see... "I love the way my tits feel when I play with them in the shower. My nipples get very hard when I am aroused." Geez, pretty racy stuff for a high school yearbook, eh.

**HOW WOULD WE GO ABOUT CHATTING UP MONICA IF WE WERE TO MEET HER?**

You might start by buying her a glass of *divin*, which is Moldovan brandy. Then maybe ask her to show you a few wrestling moves.

# My Outdoor Fuck

## ANIMAL ATTRACTION

**M**Y BOYFRIEND and I love camping. For the nature and the fresh air, but mostly for the chance to have great sex in the great outdoors.

The problem is finding somewhere away from everybody else, so we don't have a bunch of pervs coping a free porn show when we go for it.

This one time, we made sure we hiked a few kays from the nearest campers and to set up our tent in a little glade where we could have a campfire and some privacy.

We laid our sleeping bags down by the fire, stripped off, and I knelt down to employ my deep throat technique on my bloke as he lay back and looked at the stars.

All of a sudden I had the feeling we were being watched, so I abruptly spun around, but there was no-one there.

My fella didn't notice anything unusual, and his throbbing dick was begging to be inserted in my hungry

pussy, so I lay on my back, spread my legs and let him ease his big cock into me.

It felt so good, I came almost at once, gushing out a big orgasm while making my trademark grunts and moans.

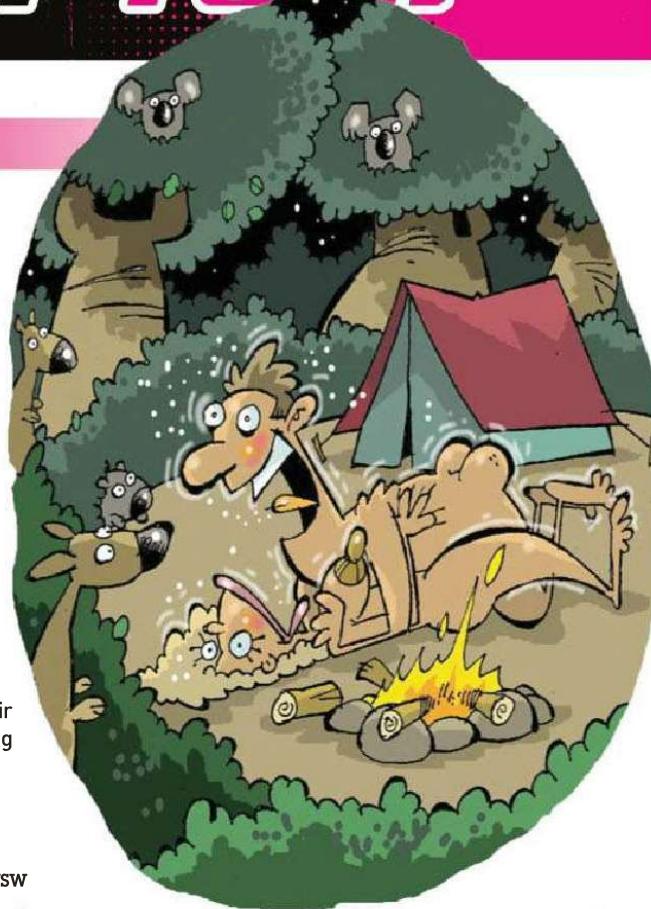

Funny thing though, I was sure I could hear other grunts and moans coming from the darkness.

He was still pounding away with his cock deep in my smoo when I looked back over my shoulder and saw all these shiny little eyes in the darkness.

I freaked out and my bloke grabbed the torch and pointed it towards the eyes. There in the darkness were a couple of roos, a pair of wombats and a koala or two, having a geek at us rooting.

I relaxed then, 'cos I figured it was just nature enjoying us while we were enjoying nature.

## SHE'S A NATURAL!

I WAS going out with this nature-loving hippie chick who called herself Moonbeam, but her name was really Sheryl.

Moonbeam was a bit whacko, and only ate organic seaweed and lawn clippings, but even though she was a total vego, she could never seem to get enough of my mighty pork sword.

She was always getting spontaneously naked and demanding I root her wherever we happened to be. Which was cool, but sometimes I found myself thinking: "Erm... really? Here?"

Outdoor sex was her big thing, and this one time we were on a beach having a sunbake when she reached over and grabbed my donger through my Speedos.

It was one of those long, deserted beaches, and the nearest people were kays away, so I figured: "Why not?"

We chucked our towels together to keep the sand out, and I let her drag my scungies off and give me a blowie while I kept an eye out.

Sheryl was an Olympic-standard cocksucker and I was almost ready to spoon in a minute, but just as I was about to she grabbed my cock and squeezed it hard.

Like she was jumping on a horse, she flung a leg over me and mounted my cock in one easy action and started to ride me.

She had all the moves – back and forward, side to side, even a little rotational action.

Then she did a quick dismount, turned around and started the whole thing again, except this time reverse cowgirl fashion. I could see her arse muscles flexing as she squeezed my cock with her talented moot.

She seemed to know exactly when I was on the brink of coming, and she'd back off a little, then go again.

She did that a few times, then used all her smoo-strength to milk my cock as I finally shot a massive geyser of spoof up her.

Say what you like about hippie chicks, but they sure know how to root.

I HAD been bullshitting Rachel, this hot babe at work, trying to get her to go out with me on my yacht, and eventually I laid it on so thick, she agreed.

The only trouble was, I didn't actually own a yacht, so I borrowed a tinny off a mate and hoped she'd see the funny side of it.

After we got to the marina and I chucked this shithouse little thing in the water, she climbed in and off we went. She thought we were just going out to the yacht, but after I'd been rowing for about 5 minutes, she got suspicious and I had to 'fess up – the thing we were in WAS the yacht.

She started to crack the shits, but I'd prepared well – I had an Esky with loads of beer, wine and prawns, and I'd chucked in a blanket and some cushions so we'd be comfortable. So in the end, she just laughed and accepted a plastic cup of goon, and we kicked back and had a bit of a party.

She was getting quite pissed from the wine, and when she stripped down to her bikini and leaned up against me, I knew I was in.

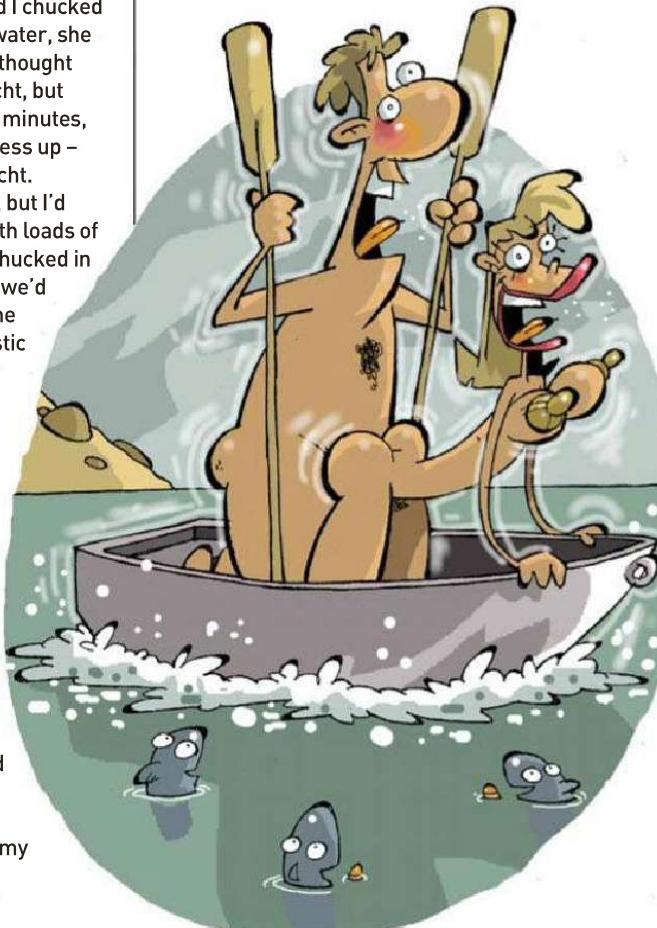

I laid the blanket and cushion down in the bottom of the boat and we got naked and manoeuvred ourselves into a rooting possie. Trouble was, the seats were in the way, and every time I tried to bury my bone in her she banged her head on the front of the boat.

She was laughing so much by this time, I thought I'd never get my

end away, but eventually we worked out a possie where she was kneeling on the seat and I was doing her from behind her, sea-doggy style, in the sunshine.

I reckon heaps of people could see us from the other boats, but we didn't care.

## ELLE AIRLIE BEACH, QLD

Biology teacher and musician Elle, 22, is visiting from New Caledonia. "As my island is a bit small, some of my days are boring. So a couple of times a year, about 20 mates and I organise a naughty, naked weekend in the forest. I love to be tied up, so my real

naughty thing was me not being able to move while five people, two men and three women, shared me." **What would you recommend about group sex to a person who has not tried it?** "I started with two people; a man and woman that I knew and felt confident

enough to have a real good play." **What out-of-the-way part of New Caledonia would you recommend visitors go to for naked fun?** "Camille Island is a little atoll up north. It has an amazing white sand beach clear water and all the discretion you need for a naughty weekend."

### WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?

"My dreadlocks got stuck – really stuck – in someone's vagina jewellery."

**"I've had a threesome with two guys"**

## IVY LEA SALISBURY, SA

"I am a mum who likes to embrace her wild side by wearing leopard print," says 24-year-old cleaner Ivy Lea. *Surely you have been a bit wilder than that.*

"I have had sex with three different men in a 24-hour time frame. I got 'fed' for all meals: breakfast, lunch, and dinner." *Any desire to have three guys all at once?*

"I have had a threesome with two guys, but never three guys. I will have to add that to my sexual bucket list." *What did you like about the two guys at once?*

"Both anal and my pussy getting fucked at the same time." *Was it hard getting both guys in position for DP?* "No. It was done right."

### WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?

"My partner and I were having sex and a girlfriend heard us from the other room, and decided to come in, sit on the edge of the bed and offer us snacks or drinks. And a condom. Let's just say it was a buzz kill."

## GINNY

BYRON BAY, NSW

German spunk Ginny is a 23-year-old traveller into the finer things in life: "long beach hair, dirty talk, pleasant surprises, pussy eating, sex in public..." **Sounds an ideal CV for Home Girls. You like porn?** "Yeah, everybody is watching it, right?" So

**we believe.** "Sometimes I watch it more – like four times a day – sometimes less. And I love to read porn as well. I like Anäis Nin or weird Japanese comic books." **Just guys, or do girls get you going, too?** "I had sex with a woman when I was in my teens. If

I had a penis, I would find a girl, lock us in my bedroom and make sweet, sweet love to her. Then get her hot girlfriends to come over and have an orgy with lots of food, being naked for days."

### WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?

"I had a big crush for the blonde bombshell when I was at school. We would be playing and fingering under our school desks in class. She was sooo soft and warm."

"We snuck off around the side of the house"

## KITTY REMUERA, NZ

"I work as a caterer at an all-boys boarding school," says green-topped 22-year-old Kitty. *The brats must have a hard time concentrating on their bowls of SPOTTED*

DICK with you catching their attention. What else are you into? "I have two pet ferrets; I love to do art and martial arts, as well as fishing and riding dirt bikes. I am studying marine biology." What makes ferrets better pets than Rottweilers or PAINTED ROCKS? "They are so full of life and little trouble makers." Sounds like a fine practice for parenthood. Gotten up

to anything naughty recently? "While at a friend's house for drinks one night, me and my fiancée snuck off around the side of her house for a quickie while I was wearing her skirt." Just as long as you didn't leave a stain.

### WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?

"My partner was pulling my choke collar so hard it snapped, and he fell over."

## GRACE NEWCASTLE, NSW

"I let my two best friends, who are guys, tie me to my bed and let them have their way with me for a few hours," says 22-year-old barista Grace. "I woke up the next day with a very bruised arse." **How did they keep occupied?** "I had one in my mouth and pussy at first, then they changed to one in my arse and pussy." **How did DP feel?** "I have done it plenty of times before. It is amazing. Definitely a favourite of mine." **What would you say to a woman contemplating two cocks at once?** "If you want to come harder than you ever have before, give it a go. You will try it once and be hooked." **Sounds like it should come with a warning label.**

**WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?** "I was having rough sex once and dislocated my shoulder. It hurt like hell. We kept going, though. Then afterwards, he had to take me to hospital."

would be funny to do a road trip naked." *Did anyone witness this undoubtedly awesome event?* "Wellll, a truck honked at us when we overtook him." *Unless you were slowing him down badly, we're PRETTY sure we know where his other hand was. Have you ever had A HOT SCRUMP in a car?* "Not since I was 18. It was a bit hard, actually. It was in the cabin of a ute. In a parking lot. In summer."

"I injured myself falling off a table."

Hairdresser Kourtney, 22, seems to be taking some kind of pants-free aversion therapy – get nude up close to what scares you; in this case, a Suzuki ER 185. *Is that REALLY your ride?*

"To be completely honest, I am actually terrified of motorbikes, but there IS something sexy about being on one naked." *We can't argue with that, eh. Ever ridden one while nude?* "Not a motorbike. But I have driven naked before. A friend and I thought it

## MILEY & KENDALL. FANNIE BAY, NT

Some people are made for Homies Who Love Homies. Just ask 21-year-old students Kendall and Miley. **Kendall:** “I have licked a fair bit of box. More so than I ever expected to, and Miley is good at it. I’d totally threesome with her. If she wasn’t my type, we wouldn’t be besties licking each other out all the time.” **What do you like about licking pussy?** **Kendall:** “How a girl squirms or moves in pleasure in reaction to what you’re doing.” **Miley:** “I like that I can tell Kendall is getting satisfied.” **Sounds like**

*you get heaps of practice at it.* **Kendall:** “Miley’s legs are great and thin and toned. I wish I had them.” **You could ask to have them around your HEAD.**

### WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?

**Miley:** “Fanny farts are funny, right? More awkward. But I am good at laughing at myself.”

**Kendall:** “I was trying anal with this one guy. I usually enjoy it, but he was so big he put it in, and I basically jumped off the bed, yelling ‘owwww’. I laughed my head off, because it was all intense and we were really going at it. It just killed the entire thing.”

**KELLY**  
PERTH, WA

When we rang the beautiful Perthling Kelly, she'd just been out celebrating her 20th birthday. **You sound a bit sleepy, Kell.** "Well, it's 9am – what do you expect?" **Sorry! What's doing?** "Right now, I'm nursing a hangover. But normally I'm studying, I'm a nursing student." **Have you learned any hangover cures at YOONI?** "I've learnt that the only hangover cure is not to get drunk." **Is nursing school a LEZZ-FEST?** "Not really, but I am bisexual and wouldn't mind if it was." **What's the best part about rooting**

**chicks?** "They just know when you are horny, they can smell it. They don't have to ask questions and stuff." **But you still like the PEEN?** "Yeah, not too big though, 'cause it hurts." **How do we get you in bed?** "Making me laugh is a great start." **Then what?** "Just take me and ravish me. I don't want it soft and slow, give me wham-bam thank you ma'am." **Bloody ripper.**  
**WHAT IS THE FUNNIEST THING THAT HAS HAPPENED TO YOU WHILE ON THE JOB?** "During a one-night-stand, my dog licked the bloke I was rooting on his... you-know-where. I just couldn't stop laughing."
